***Safe Access Solutions - Anytime, Anywhere!***

# Our Disciplines

## Access Systems

Utilizing market leading modular scaffold systems MIS offer scaffolding & rigging services for the erection of all aspects of scaffold for our clients in our target markets, as well as providing rigging solutions within the projects we undertake.

We're also able to deliver engineered access solutions for even the most complex works we undertake.

## Scaffold Hire

With a large stock of owned equipment MI Scaffold provides a variety of modular scaffold system hire options to suit your specific requirements.

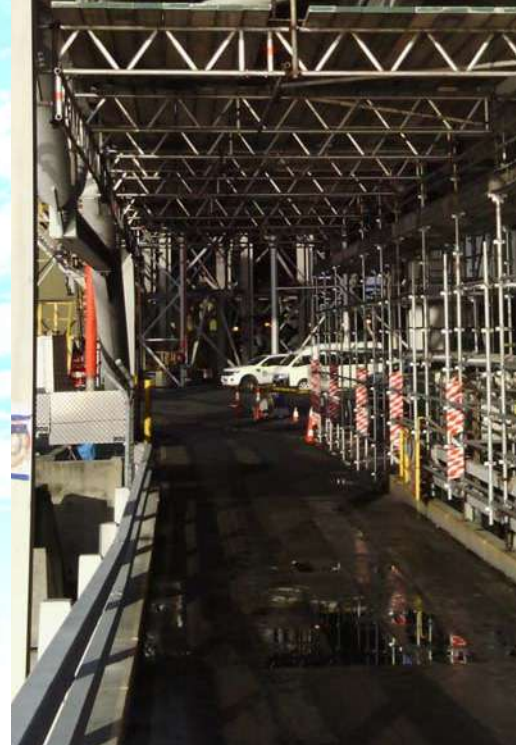

## Onsite Workforce

MI Scaffold provides scaffolding labour, materials and management to our clients for short or long term projects, shutdowns and construction works as well as labour hire.

## Paint and Blast Capability

Paint, blast and concrete remediation services for all aspects of the mining, maintenance and construction sectors can be delivered by MI Scaffold.

***Operating Australia wide!***
