REPRESENTING THE
PROFESSIONAL
SCAFFOLDING INDUSTRY
IN AUSTRALIA

WHO WE ARE

The SAA was formed to support our members in the scaffolding industry. We provide guidance and up to date industry information as well as explaining changes in regulation and legal requirements that are relevant to your business. The SAA advocates for you to the government on issues that are important to our industry.

OUR MISSION

The mission of the Scaffolding Association Australia is to represent, enhance and promote the scaffold industry in Australia.

This mission incorporates educating and developing the capabilities of members and associate members.

INDUSTRY EXPERTISE

Get direct access to industry experts, member support services and advocacy to help you manage, operate and grow your business

A VOICE IN THE INDUSTRY

The SAA is here to be your voice in the industry. We have a successful track record in lobbying government and representing our members in meetings with government organisations

ACCESS TO RESOURCES

We've developed a range of templates, documents and forms that every scaffolding company needs, available for free download for our member
