## About HMD Insurance

HMD is a specialist insurance and risk adviser, committed to building long term partnerships and delivering perpetual value to the scaffolding industry.

This includes the development of SAA Insure in conjunction with Scaffolding Association Australia (SAA).

Our clients work with us because we're more than just an insurance and risk adviser we're your partner.

Based on insurance premium comparisons conducted in 2022/23, the SAA Insure policy was found on average to be 20% less than the market standard, whilst not sacrificing on the protection being provided.
