Affected products have a serial number range 120563200 – 120731996 and were manufactured between November 2020 and May 2024.

### **Reasons the product is recalled**

The locking mechanism may not close properly on the brace, which may cause it to disengage and detach from the scaffold frame.

### **The hazards to consumers**

There is a risk of serious injuries or death from falls or damage to property if the guard rail brace becomes detached from the frame.

### **What consumers should do**

Consumers should stop using the product immediately.

Consumers should contact Oldfields directly to arrange to return the brace to Oldfields or have Oldfields collect the brace for a free repair.

For more information or to arrange collection, consumers can call the dedicated recall hotline on 1300 306 999, email [hello@oldfields.com.au](mailto:hello@oldfields.com.au) or visit [www.oldfields.com.au/recall](http://www.oldfields.com.au/recall)
